Amit Nepali

Web Designer

I am a hard working and courageous individual who isn't afraid to face a challenge. I'm passionate about my work and I know how to get the job done in right time. I would describe myself as an open and honest person who doesn't believe in misleading other people and tries to be fair in everything I do.

EXPERIENCE

Laborer

To be honest I have worked as a laborer in construction area. This was the time when I passed SEE and that time I wanted to know what is hard work, so I joined it.

After that I involved in youtube and I don't have experience of other works.

Youtube
July, 2019 - July, 2022

As I was very much passionate on creating contents, I have 3 years experience of working in youtube with 18K+ Subscribers. Also I have earned over Rs. 1 lakhs from youtube.

After completion of +2 I was focusing for my career and I knew that youtube cannot be a permanent way to earn money so I decided to focus on my career (Web Designing).
